

For the major Photonics is the program MATLAB R2018a required and has to be installed before start of course. The student version can be bought for CHF 119.-.

Down below, you can find a manual, how you can get the software. You need a University of Applied Sciences of the Grisons mailaddress and a valid credit card.

1. Go to the website:
<https://ch.mathworks.com/store/link/products/student/SV>
2. In addition to «MATLAB and Simulink Student Suite» select the modules «Simulink Design Optimization» and «Computer Vision System Toolbox».

MATLAB Product Family	Price	Add
MATLAB and Simulink Student Suite Includes MATLAB, Simulink, Control System Toolbox, Curve Fitting Toolbox, DSP System Toolbox, Image Processing Toolbox, Instrument Control Toolbox, Optimization Toolbox, Parallel Computing Toolbox, Signal Processing Toolbox, Statistics and Machine Learning Toolbox, Symbolic Math Toolbox	CHF 89.00	<input checked="" type="checkbox"/>
Computer Vision Toolbox	CHF 25.00 CHF 10.00	<input checked="" type="checkbox"/>
Simulink Design Optimization	CHF 25.00 CHF 10.00	<input checked="" type="checkbox"/>

3. Click on «Add to Cart»

5. Click on «Create one!».

The image shows the MathWorks login page. At the top left is the MathWorks logo. Below it is the word "Email" in a large font. Underneath is a text input field. Below the input field, there is a link that says "No account? Create one!". Below that is a line of text: "By signing in, you agree to our [privacy policy](#)." In the bottom right corner, there is a blue button with the word "Next" in white text.

6. Input your University of Applied Sciences of the Grisons E-Mail.
Choose „Switzerland“ as Country.
Choose „Student“.
Select „Yes“.
Click on „Create“.

Create MathWorks Account

The image shows the "Create MathWorks Account" form. It has the following fields and options:

- Email Address:** A text input field containing "support@htwchur.ch" with a green checkmark icon on the right.
- Country/Region:** A dropdown menu with "Switzerland" selected.
- How will you use MathWorks software?:** A dropdown menu with "Student use" selected.
- Are you at least 13 years or older?:** Radio buttons for "Yes" (which is selected) and "No".

At the bottom right, there are two buttons: a grey "Cancel" button and a blue "Create" button.

- Input your First Name and Last Name.
Chose a password.
For "What describes your role?" select "Student (Graduate-level)".
For "Department", select "Other Sciences".
Select „Switzerland“ as Country of School.
Input „University of Applied Sciences of the Grisons“ as School/University.
Leave the field „Activation Key...“ empty.
Put the tick on «I accept the Online Services Agreement».
Click on „Create“.

First Name	<input type="text" value="Marco"/>
Last Name	<input type="text" value="Schärer"/>
Password	<input type="password" value="....."/>
Password Confirmation	<input type="password" value="....."/>
What describes your role?	<input type="text" value="Student (Graduate-level)"/>
Department	<input type="text" value="Other Sciences"/>

Location of your School/University
Please provide the following information in English.

Location of School/University	<input type="text" value="Switzerland"/>
School / University	<input type="text" value="FH Graubünden"/>

Link Your Account to a License
If you have MATLAB already, enter your activation key or license number here.
[What will this allow me to do?](#)

Activation Key or License Number (Optional)	<input type="text"/>
---------------------------------------------	----------------------

Type 'license' at the MATLAB prompt to get your license number or get an activation key from your MATLAB administrator.

Terms for Student Use of MathWorks Software

This Student License is for use by students on student-owned hardware to meet course requirements and perform academic research at degree-granting institutions only. It is not available for government, commercial, or other organizational use.

If you are using the software at a company or government lab, as an instructor at a university, for research, or for commercial or industrial purposes, please [choose another license option](#).

All users of MATLAB Student and MATLAB and Simulink Student Suite are required to activate their software using their MathWorks Account.

By clicking on the "Continue" button below, you confirm that you are eligible for Student use pricing.

The product pricing applies for purchase and use in Switzerland. For pricing in other regions [contact sales](#). The product price does not include sales, use, excise, value-added, or other taxes. Any applicable taxes, duties, levies, assessments and governmental charges payable in connection with this purchase will be assessed on the order.
